

NGQMA is very happy to have the States Race at our club this year.

Our Apple Blossom Classic will be the States Race on April 23rd and April 24th.

We hope everyone can join us, especially if you are planning on racing at the Grands this year. They say our track is very similar to the Little Indy track.

As a reminder, if you plan to race in The Grands, you must run a States Race event or pay a hardship fee of \$150 per car.

You will be able to register for the States Race on the Region 3 website www.qmregion3.com beginning March 15th at 8:00 a.m. CST through April 15th at 12:00 a.m. CST.

Qualifying order will be based on registration date and time (i.e. the first to register is the last to qualify). Also, registering online will make the registration process go much faster and help us to plan the car count. If you do not register on line and elect to wait and register in person, you will be added to the end of those who registered online, meaning you qualify before those who registered online.

Entry fee for the States Race is \$40 per car and will include gas and transponder rental if applicable. In addition, since this is also a Region Race and you are running Region 3 points there will be an additional \$12 fee per car.

Friday, April 23rd from 6:30 p.m. to 8:30 p.m. EST

- Safety Inspections and Registration

Saturday, April 24th from 7:30 a.m. to 8:30 a.m. EST

- Safety Inspections and Registration
- 8:00 a.m. EST – Controlled practice by class in race order. 8 cars/3 minute practice round by class, one round per class.
- Driver/Handler meeting will begin immediately following controlled practice.
- Qualifying will begin promptly following driver/handler meeting

If you have any questions, please do not hesitate to contact any of the NGQMA Board members. <http://www.ngqma.com/contacts.htm>.
